

The Shell Advance Gippsland Regions Motocross Championships proved a winner as over 550 riders competed against the best of the best at the long and hard track up at Maffra.

Juniors had a great day on the Saturday with B grade rider, young Tomas Ravenhorst , showing his style running mid field against the A Grade riders however it was Jack Simpson who still proved he was the one to beat.

On the Sunday Jake Emanuelli strutted his stuff proving he had been training hard pre season as he shone the brightest showing the rest of the A Grade Senior field that he was a threat right from the beginning. Emanuelli threw his Yamaha 250 around the track with the greatest of ease with fellow rider Sam Martin hot on his tail

It was great to see the quads back on board for 2011 being the only region that has fully taken on board this discipline. The Quads proved that they were there to stay as Pro riders Mitch and Jake Van Vliet equalled the times of the 2 wheeler A grade Senior riders.

President Andrew Staff stated, " The first round of the season was very successful and with the help of all volunteers the weekend ran smoothly. Its great to have the best medical support with Race Solutions on board again and also to have the generous support of Shell Advance, this season is just going to get better and better. "

With entries already flowing in for round 2, the weekend of the April 30<sup>th</sup> and May 1<sup>st</sup> is going to be a huge event up in Moe at the Blue Rock MX track.
