

CAMERON TAYLOR PROVES HE'S STILL GOT IT.

The 2nd round of the Shell Advance Gippsland Regions MX Championships held in the hills of Moe proved a winner as Cameron Taylor and Ross Beaton battled it out on the Blue Rock pristine track.

Blue Rock Club members had the track at its best giving all riders the opportunity to ride hard and ride fast. Taylor took 2 wins over Beaton in Open A grade leaving the rest of the field chasing fast and furious.

Whilst the Senior rider Cameron Taylor was strutting his stuff on the track all day Sunday it was young gun junior rider Cameron Taylor in the 250cc B Grade also proving he was a force to be reckoned with on the Saturday.

On board his Kawasaki Taylor was giving Billy Jackson lots of pressure staying hot on his heels never giving up the chase. Taking overall 2nd place for the day has put Taylor in a good position and in with a good chance to take out the Championship.

The Gippsland Committee was delighted and impressed with the riders sportsmanship all weekend especially when young William Pay stopped during his 85cc race to lift a bike off his fellow competitor.

Entries are increasing with each round so racing at round 3 Wonthaggi is set to be massive on the 4th and 5th of June.
